25X1A5a1

[REDACTED] Our reply of 27 September 1960 supplied answers on the
documents requested, with the exception of "Government Sponsored
Research on Foreign Areas", and thirteen intelligence reports.
Answers in the affirmative have been received from all contributing
agencies regarding "Government Sponsored Research on Foreign Areas".
The thirteen intelligence reports are listed in the attachment, with
approval or disapproval indicated. All documents that have been approved
may be released [REDACTED] provided that adequate security measures are
assured, including the application of Section 192.31 of the Department
of State Security Regulations in compliance with Executive Order 10501
of 1954.
